### Technical data

EYARN LIGHTING LTD

Shixi Industrial Zone, Shishan Town, Nanhai District, Foshan City, Guangdong, China

|  |                 |  |                       |
|--|-----------------|--|-----------------------|
| Name product   | ZWB-0058-03G-E2 | Contain battery                          | No batteries included |
| Power in Watt  | 5.1W            | Weight of the battery (gram)             | No batteries included |
| Nett Weight in gram (without batteries, without packaging) |                 | Type of battery (Li-ion / Alkaline, ...) | No batteries included |
| Size of product: LxHxW in centimetre                       | 23*23*146       | Lumen                                    | 300LM                 |
| Accessories included: detailed it                          |                 | Beam Angle                               | 120°                  |
| Weight packaging   |                 | Color temperature                        | 4000K                 |
| Size packaging   | 145*100*280     | Protecting rating                        | IP20                  |
| Lifetime(H)  | 30000 h         | Volt/Hertz                               | 230V/50Hz             |
| Warm up time to 100% of full light output                  | <1”             | Number of swiching cycles                |                       |

Remark: The main technical features could be adjusted by supplier based on different kinds of products.
